Androsson Aug 27/1873

My dear Sir
Many thanks for Mr
Farriss's note. I will keep
it, and prize it the more
because you were so
kind as to say I might
send you a stamped
paper. Perhaps after sending
it you will kindly post
it to Mr Farriss putting
a mark at short note
I have made concerning him
See page 3.

With best wishes

Yours truly

Hilthorn
